EXPERIENCE

UX Designer Intern — Anjuman-i-Islam Kalsekar Technical Campus **2025 – 2026**

- Translated startup product requirements into user flows, wireframes, prototypes, and UI designs.
- Collaborated with startup teams to understand user needs, business requirements, and product objectives.
- Contributed to product planning, UX design, prioritization, and product execution with focus on usability and information architecture.

Frontend Developer — Web Solutions **2025 – 2026**

- Developed responsive websites using React.js, TypeScript, HTML, CSS, Tailwind CSS, and Next.js.
- Converted UI/UX designs into reusable, responsive frontend components with focus on usability, performance, and maintainable code.
- Integrated Supabase and worked across implementation, debugging, testing, SEO-friendly development, and deployment.

PROJECTS

BrandVault | UX/UI Design + Frontend Development

- Designed information architecture, user flows, workspace structure, UI components, and responsive interfaces for a brand management product.
- Built the frontend using Next.js, TypeScript, Tailwind CSS, and Supabase.
- Designed workflows for brand assets, resources, AI context, project organization, and reusable product documentation.

Orthopedic Healthcare Website & CMS | UX/UI Design + Frontend Development

- Designed and developed a responsive healthcare website focused on navigation, treatment discovery, usability, and information architecture.
- Built the frontend using Next.js, TypeScript, Tailwind CSS, and Supabase with CMS functionality and SEO-friendly page structures.

YLearn Mobile App Redesign | UX/UI Design

- Redesigned a mobile application with focus on user experience, navigation, visual hierarchy, and usability.
- Created user flows, wireframes, high-fidelity UI screens, and interactive prototypes using Figma.

LEADERSHIP & EXTRACURRICULAR

Design Lead — Unstop Igniters Club, AIKTC (2026): Led event design, branding, visual communication, and coordinated design execution.

Design Member — GDGoC AIKTC (2026): Contributed to event creatives, branding, and digital design execution.

Design Lead — Pitch Carnival (2026): Led visual design and branding while coordinating event design requirements and promotional creatives.

EDUCATION

B.Sc. Information Technology — Anjuman-I-Islam Kalsekar Technical Campus, Mumbai **Expected 2027 | CGPA: 7.91**
